

Music Man

What could be more exciting than a Broadway hit? Well, our music department's answer is the musical "The Music Man," a former Broadway hit. Rehearsals have been in full swing for quite some time now, and the "show is on the road" to delightful entertainment. Mr. Burley, Mr. Sobchock and the cast have been working intently to make this big event enjoyable and worthwhile for Pompton Lakes High School and the entire public.

Our staff took a peek in on a rehearsal and thought you would like to "get in on the act" behind the scene too. Perhaps you'll recognize some familiar faces. These pictures are a preview of what will take place on May 22 and 23. By then, of course, the stage will be set with attractive scenery, and the cast will be in attire typical of the early twentieth century.

(L.) This is the library scene with Bob Livingston (Harold Hill) and Carol Ann Bednarek (Marian the Librarian).

(R.) Well, that's what the script call for.

The two leads, Bob Livingston and Carol Ann Bednarek, have been with the music department since they came to Pompton Lakes High School. Bob was in the seventh and eighth grade choir and has been in the high school choir for two years. He is also a trumpeter in the band. Carol was a member of St. Mary's choir since she was in the third grade and has been in Pompton's choir for three years now. Both Carol and Bob have been active in previous spring shows. Carol, in her freshman year was in "The Bells are Ringing." In last year's spring variety show, they each sang a solo. With this experience, we're sure they'll do well this year.

The entire company is in good voice and is anxiously anticipating a successful show. "The Music Man" is guaranteed to be an experience you'll never forget.

Honor Society Selects 27

On April 20, The Frank H. Broome Chapter of the National Honor Society held its annual assembly to induct new members. This is one of the highest honors a student can receive in his high school life.

Twenty-seven juniors and seniors and one sophomore were selected by the faculty for induction into the society.

Edward Fagan, president of the Honor Society, was master of ceremonies. Speeches were given on the Four Ideals of the society: Character, Scholarship, Leadership and Service. The speakers were Lynn Blomquist, Marlene Hevia, Penny Balestrino and Owen Berow.

The old members, acting as pages, then went into the audience to escort new members onto the stage, where they received their membership cards and pins and recited the pledge.

Following the assembly, a tea was held, which was attended by the faculty and administration, old and new members of the Honor Society and the mothers of new members, who had been told the good news that morning.

New members from the senior class were Craig Burton, Leslie Christener, Lorraine Dumler, Anita Greenberg, Doris Schlessinger, John Sinsimer, and Paul Usinowicz.

Juniors chosen for the honor were Roger Alexander, Carol Ann Bednarek, Barbara Domanski, Nadyne Gerres, Carol Hausman, Glenn Hazen, Frank Kunzier, Ann Maddeford, John Maginnes, Cherly Mathes, Mary Ellen Maher, John Miller, Bonnie Mussell, Jean Nanassy, Robert Quinn, Jonelle Reichert, Diane Russo, Helen Sachs, Janet Seigler, and John Stone.

The honorary member selected from the sophomore class was Robert Livingston.

Lucky Seniors

The following seniors have been accepted by the schools and colleges to which they have applied: Warren Backer, Larry Ball, Jean Barrows, Owen Berow, Lynn Blomquist, Lois Breur, Craig Burton, Sue Carlough, Leslie Christener, Carol Cosgrove, Denise Dellay, Lorraine Dumler, Marilyn Eggerling, Michael Eise-mann, Ruthjanice Fabricant, Ed Fagan, Sam Faucetta, Richard Foster, Donna Fream, Emily Freeland, Mary Ann Freeland, Anita Greenberg, William Grigat, Marlene Hevia, Gail Hilliard, Mary Ellen Hayford, Anita Hubbard, Bruce Jenny, Marian Jensen, Dave Keeffe, Jean Kessel, Jack Kinsey, Warren Knight, Regina Konowitz, Diane LaCour, Dana Lank, Helen Lieb, Art Livingston, Gary Mabie, Dorothy Mason, Jane McCarthy, Dennis Monks, Jack McElligott, Margaret Parker, Esther Pilkington, Halina Pilcer, Detra Prete, Pam Pross, Sheila Richards, Bob Senior, Doris Schlessinger, Charles Severs, John Sinsimer, Darlene Smith, Angela Stasulli, Joe Stuiso, Barbara Temby, Dorothy Thie, Theo Uberto, Paul Usinowicz, Pat Vorce, Joanne Wacker, Cheryl Weatherwalks, Evie Vilar, Samuel Weinstein, Carolyn Wood and Linda Wright.

The colleges at which our seniors were accepted are as follows: Amercian U., Arkansas A.M., Bethany C., Bloomfield C., Bowling Green State U., Boston U., Bradford Duffee Institute of Technology, Brown U., Bucknell U., Caldwell College for Women, Centenary College, Central Connecticut State C. Colgate U., Cornell U., C.W. Post College of Long Island, Defiance C., Delaware Valley C. of Science and Agriculture, Douglass C., Drew U., Dunbarton College of the Holy Cross, Edinboro State C., Fairleigh Dickinson U., Franklin and Marshall C., George Washington U., Gettysburg C., Georgian Court C., Glassboro State C., Green Mountain C., Hackensack Hospital School of Nursing, Hope C., Katharine Gibbs Secretarial School, Keuka College, Lehigh U., Long Island U., Lycoming C., Lyons Istitute, Madison C., Marywood C., Miami University, U. of Massachusetts, Michigan State U., Monmouth C., Montclair State C.

(continued on Page 3)

Miss Reimann To Resign

Miss Frances E. Reimann, assistant principal, recently announced her plans to retire this June, after more than thirty years of service in the Pompton Lakes school system.

Miss Reimann was born in Brooklyn, New York, and came to teach in Pompton Lakes after brief teaching stints in Trenton and Wayne. She taught in the lower elementary and junior high levels in Lenox Elementary School until the new high school opened in 1933. There she taught mathematics and was senior class and yearbook advisor for several years.

In 1940, upon the death of high school principal Thomas Hutton, Miss Reimann was appointed acting principal. Later that year she became assistant principal and Dean of Girls until 1954. In that year she was appointed as the school's first Director of Guidance. In 1961 she

Boys' State 1964

On the morning of a perfectly normal rainy April day, 14 boys received notes from the guidance office.

Upon reporting to the office, and having their hopes confirmed, each boy was told to report to the American Legion Hall the next night for their interviews. These interviews would determine who would be chosen to go to Boy's State and which would be alternates.

The next night, all were gathered and nervously awaited their turn. Each boy was called into a small room, alphabetically, and greeted by a committee of men. After answering some general questions about themselves and their ideas of government and character, each boy was permitted to leave and return home if he so desired.

The next morning, with everyone anxious and wondering who had been chosen, there came an announcement over the loudspeaker. Twelve of the fourteen boys were to report to Mr. Jochem's office.

Once there, the winners were revealed. Congratulations to Rich Barry, Bruce Berringer, Glenn Hazen, Brink Jochem, Frank Kunzier, John Maginness, Kirk Ramsauer, John Stone, and Ken Willis who were chosen as delegates and to Roger Alexander and Lloyd Miller who were chosen as alternates. The "Cardinal" staff wishes them luck. These boys can well be proud to have been selected. We know they are all honored, and that the delegates will represent our school well at Rutgers University from June 21 to June 28.

Art Show June 3

The annual Pompton Lakes High School Art Exhibit will be held June 3 in the high school gymnasium.

The exhibit will include the best art produced this year in the high school.

There will be a wide selection of art in every technique, color and media. In addition to the usual oil, water color, and tempera paintings, there will be clay and plaster works, fashion and figure drawing, perspective and prints designed and made by students.

The Industrial Arts Department will have the choice works of its classes in the fine and Industrial Art Exhibit.

We are going to have three Judges viewing the show this year, resumed the position of Assistant Principal, which she has held to this date. Miss Reimann has not missed a single day of school due to illness at Pompton Lakes.

Miss Reimann holds degrees from Rutgers, the State University, and Columbia University, besides having taken courses at Cornell, Seton Hall, and the Universities of Maryland, Virginia, North Carolina, Arizona, Maine and Denver. She is an enthusiastic traveler, having visited almost every state in America, as well as having traveled extensively in Europe, Africa, Asia, Latin America and the Near East.

Pompton Lakes will sorely miss the services of Miss Reimann and the Cardinal staff wishes her luck in her future plans.

Mrs. Burley, who was an art major in Florence, Italy, Mr. Woolfert and a teacher from Clifton High School. Everyone is invited and admission will be free.

Band Concert

This year, more than any other previous, the Pompton Lakes High School Bands are to be congratulated. Special congratulations go to Mr. Sobchock for the time and effort he put into the band to make the Annual Spring Concert as enjoyable and successful as it was.

Everyone seated in the audience agreed that this year the concert was one of great pleasure and enjoyment. The many diverse numbers from "Little Rhapsody in Blue" to "The Three Bears" provided the audience with music to suit any taste.

To be commended for their outstanding performances are Robert Senior, Sam Faucetta, and Walt Dale who displayed their great talent in their rendition of "Trumpets Wild." Lynn Blomquist, Anita Hubbard, and Sheila Richards combined their talents to form a clarinet trio in the unusual piece, "Waltzing Clarinets."

For those who enjoy lyrics as well as music, The Pompton Lakes High School Choir was on hand to exhibit their "angelic" voices. Under the able leadership of Mr. Burley, the choir added to the perfect cultural atmosphere.

To climax the evening the combined efforts of the band and the choir were presented in "Let There Be Peace on Earth," a song not only beautiful, but inspirational.

Editorial

Corporal Punishment

A law was recently passed by the New Jersey State Legislature which gives all New Jersey public school teachers the right to employ corporal punishment on students when appropriate and necessary. This would mean that it is legal for a teacher to push or punish physically (to a certain extent!) a student who is a discipline problem. The student will probably ask "Who is to decide when corporal punishment is appropriate and necessary?" The law states that if a student is damaging any persons or property (including the teacher) the teacher has the right to use preventive methods.

We, on the editorial staff, are sure that this law was passed with the consideration that teachers are sane and rational people and would not take advantage of this law to "take care of" any students that have been getting on their nerves. But there are some people who might be strongly against this law and its effects. If you are one of them, please let us know. We would like to hear how the students of P.L. H. S. feel about this "yield the rod" ruling.

Junior Prom

Shown above is Art Taglieri, Junior Class President, congratulating Junior Prom King and Queen, Mike Canger and Pattv Cosgrove.

Wasted Words

By Carol Hausman

It's funny how on certain days nothing seems to function properly, especially yourself. The obvious becomes the unobvious, common sense gives way to a blinding daze. Such was my condition on the first day I decided to investigate the joys of cafeteria dining. By some horrible sequence of events, in all my three years of matriculation in dear old P.L.H.S., I have never ventured into the depths of our cafeteria at lunchtime. Thus, I reasoned, enough is enough! —Experience is the only teacher.

Following a herd of individuals who seemed to be headed in that direction, I grabbed two acquaintances and persuaded them to share this glorious experience with me. For the first ten minutes or so, everything went smoothly. After convincing three undersized third graders that we were the victims of a strange tropical disease which rendered us incapable of standing for more than four minutes at a time, we succeeded in gaining seats. I'll assure you all right now, that there is nothing

cafeteria eating. Honest. So as I go on, keep in mind that it was just one of those days.

I had just finished whatever it was I had devoured; (the actual contents of that particular lunch escapes me now), and upon inquiring as to what should be done with the tray, I was promptly told to put it in the window. Naturally, the instruction struck me as being very amusing. Leaving my witty friends, I approached another inhabitant, and still another, only to be told the same thing. Realizing that it would be too much of a coincidence that they had all thought up the exact same quip at once, I swallowed my disbelief and walked boldly to the windows. With a ridiculous smile on my face, I proceeded to dispose of my tray, gingerly placing it out the window.

I think I will always remember the feeling I had as the kind woman at the cash register looked me over carefully, and then, in a soothing voice, explained to me that things like that are just not done by nice, grown-up mature individuals. Her smile seemed to hint there just might be something wrong with me. I wonder.

Senior Salute

Sue

Our choice for Senior girl of the month is Sue Kellner. Sue, known by her nickname of "Legs," is a girl of varied interests and activities. She is presently secretary of the senior class, president of the G.A.A., cartoonist for the "Cardinal," and has held the position of Junior Borough Clerk.

Her likes include garlic bread, Paul Newman, Joan Baez, XKE's, tennis, sailing, and Jonathan Winters. Her dislikes? — smoke, and noisy people. Her future ambitions are to meet Jackie Kennedy and to marry a millionaire.

Sue plans to spend the summer in Bermuda, or working at a camp as a lifeguard-instructor.

Warren

The name Warren is synonymous with baseball, at least in Pompton Lakes. Warren, as one of our co-captains, boasts the loudest vocal chords on the team. It's rumored that you can hear his pep talks a mile away. Warren likes baseball (naturally), cars, and a certain redhead. His dislikes are having his picture taken, and not hearing enough noise from the dugout.

Warren plans to attend Rutgers next year, where he will probably major in political science. With his spirit and drive, we know he will be a success in the classroom, as he is on the baseball diamond.

Happiness Is...

Happiness is...

You, the reader may ask, "Why mention 'happiness' in a school newspaper?" This is a perfectly logical question. So I've researched this topic and have found several sources of joy in Pompton Lakes High School.

Happiness is... open windows in the Chem lab.

Happiness is... riding piggyback to Fieler Field.

Happiness is... finding a towel that no one's used when you get out of the shower.

Happiness is... resting in the Nurses office.

Happiness is ... passing a history test (or any test for that matter).

Happiness is... finding out that the note you received from Miss Reimann's office was a clerical error.

Happiness is... wearing both a right sneaker and a left sneaker for gym.

Happiness is... being the first person out of the school during a fire drill.

Happiness is... a clean locker

Happiness is... sitting on one of those high stools in the Physics lab during a test.

Happiness is... knowing what the Faculty Room looks like. (Inner Sanctum).

For the Seniors:

Happiness is ...graduation.

and for me

Happiness is ...handing in your Cardinal assignment on time!

happy Helen

Orientation Program

Student speakers representing important areas of high school life recently spoke to nearly 200 of next year's seventh grade class. The program was presented to current sixth graders of Lenox School and repeated at Lincoln School. It is part of the high school's annual orientation program for incoming students, under the direction of the Guidance Department.

Students who participated in the orientation program included Marlene Hevia, president of the Student Council, who discussed the functions of student government; Ed Fagan, president of the Honor Society, who emphasized the importance of character and leadership for high school success; Bernard Cummings, president of the Junior Student Council; Ann Greiner, secretary of the Junior Student Council; and Susan Shanholtz, who acquainted students with high school traditions.

College Corner Hartwick College

Hartwick College is a small, four year, co-educational liberal arts college granting the Bachelor of Arts and Bachelor of Science degrees.

Located on scenic Oyaron Hill, in Oneonta, New York, Hartwick occupies a campus of 160 acres. It is an outgrowth of Hartwick Seminary established in 1797, and is affiliated with the Lutheran Church of America.

Starting in the fall of 1964, Hartwick will have a unique 3-3-plus program. It will consist of 3 subjects in each of 3 ten-week terms plus a 3-week interdisciplinary and independent study session.

Those applying for admission must take the S.A.T. and 3 Achievement Tests of C.E.E.B. including one in English Composition, one in a foreign language and one in an area of the student's choice.

Hartwick College is especially known for its outstanding School of Nursing and its top-notch soccer team.

A Tour of LaFayette

On Saturday, April 18, seven juniors, Frank Ferrando, John Maginness, Ken Willis, Bob Jones, Tom Russo, Peter Mandl, and Chris Polkowski were fortunate enough to take part in the annual junior visiting day at Lafayette College in Easton, Pennsylvania.

These boys, along with boys from other Passaic and Bergen County schools, arrived at Lafayette at 10:15 a. m. After registering outside Hogg Hall and receiving necessary instruction, they went on a tour of the campus, which lasted until noon. At this time a one hour convocation was planned.

After taking a few snapshots, the Pompton boys became tired of waiting for a guide and decided to go on their own tour of the campus. The boys quickly headed for the picturesque fraternity houses and dormitories, which are near the basic school buildings. In one of the houses, they met a swinging group of undergraduates from New Jersey, and one of them, a freshman from Morristown, told them about college life while taking them around the campus.

The convocation period was next and was followed by lunch in Marquis Hall. Then came two and one-half hours of free time during which the boys played basketball and went swimming in Alumni Hall, saw baseball and lacrosse games, and revisited other points of interest, such as the new memorial library and the campus bookstore. Lafayette lost the baseball game to Gettysburg, 5-2 and bowed to Adelphi in lacrosse, 6-4

Uncle Adam

Adam Joeckel, business manager of the Pompton Lakes School System, recently announced that he will retire in June, after having served our schools for more than 35 years.

Mr. Joeckel joined the Pompton Lakes Board of Education in 1926 and served as a member for eight years. During this time he headed the building committee for the construction of Pompton Lakes High School. The bronze plaque located in the main entryway records his name. Shortly before the high school opened, Mr. Joeckel resigned from his position on the Board of Education to join the staff. His business and Board of Education background served him and our school system in good stead for the past 30 years.

"Uncle Adam," as he is called by many of his school colleagues, has not definite future plans, but he has received many offers.

Uncle Wethbee

The Pompton Lakes High School Weather Club, under the direction of Mr. Dreitlein, is working with the Paterson Museum of Research for the United States Weather Bureau.

It has been found that air a few inches off the ground is usually cooler than the air a few feet higher. The U.S. Weather Bureau is trying to find out if there is a relationship between this difference of temperature and the kind of weather which follows.

The Weather Club will not only measure temperature variations (using the strange white pole on the lawn near room 13) but will also check humidity, wind direction and speed, cloud coverage, air pressure and the amount of rain or snow. The measurements will be recorded by the club, charted, and sent to an official U.S. Weather Bureau observer.

The students involved in this research are Donald Allison, Peter Guide, Randy Miller, Peter Bernstein, James Leonard, David Weinstein, Sandy McEwan and Archie Stewart.

Service Club News

It is now May and nine months since school has started. During this interim, I'm sure many people have been pondering a question that has often come to my mind.

That question is: What exactly does the Service Club do?

I asked the club's president, Glenn Hazen, who gave me a general idea and sent me to Mr. Yott.

The club helps the school. From the various dances, the play (Bachelor Father), and its other activities, the Service Club has collected a tidy sum of money.

The Service Club has actually given three hundred dollars to the scholarship fund. It has also bought the school the low aluminum ladder sometimes seen in the gym.

And to top it all, the Service Club has bought a duplicator for the school.

In the remaining months of this year, the Service Club has no special activities planned. After school is finished for the year, the members are taking a trip to Rye Beach with Mr. Yott and their president, Glenn Hazen.

Cards Knock off Area Leaders

Behind a stunning performance by Larry Ball and an alert defense, the Cards won their biggest test to date, a 2-0 win over Pequannock's Panthers, previously the leading team in the area with an .875 percentage.

By virtue of the victory, the Cards and Panthers now have identical 7-2 records and will take part in a big battle for the Trends trophy along with Wayne.

The Cards got both of their runs in the fourth on Ken Ball's single, Warren Knight's bunt, also good for a base hit, a walk by Jimmy Coutts, and a two-run single by Larry Ball. As for the Panthers, they showed signs of scoring in the fourth and seventh innings, but the Cards defense rose to the occasion in both cases.

Ball, the winning pitcher, raised his record to 3-2, Ken Weir, the losing pitcher, suffered his first loss of the campaign. He has won four.

Cards Maul Manchester

Playing their fourth game in five days, the Cards got back on the winning beat with a five to nothing victory over the hosting Falcons of Manchester.

Glenn Hazen (2-0) kept up his fine hurling for the Cardinals with a two-hit whitewash job. He also knocked in a run, scoring Jim Grossi from third with an infield grounder. Grossi has singled and advanced two bases on a stolen base and an error to lead off the inning.

The Cards, however, had scored two runs previous to that, and subsequently, got two more. Instrumental in the Cards win, otherwise, were Dale Garlick, Ken Willis, Warren Knight and Larry Ball, all of whom had two hits and did some great base running. Willis' two knocks raised his average to a sizzling .578 (11 for 19), tops in the area.

Cards Turn Tide

The Cards won, 10-8 defeating arch-rival Butler.

The Cards quickly got to burly Leo Witty, Butler's starter, for eight big runs in the first three innings. They added two more in the fourth, lengthening their lead to 10-1.

Larry Ball, the Cardinals pitcher, was sailing along with this lead when the fireworks started in Butler's seventh. Thirteen men batted for the visitors in this inning, with Gary Levine contributing a double and a triple and Keith Post a double. Al Van Riper replaced Ball on the mound and after he couldn't get anyone out, southpaw, Glenn Hazen put out the fire.

For the Cards, Warren Knight, John Stone, Ken Ball and Andy Jordan were the hitting stars with two knocks a piece. Ball, Knight, and Stone all hit doubles in that big third frame.

Larry Ball was the winner, attaining his fourth win against three defeats.

Cards Bomb Bulldogs

The 1964 edition of the Cardinal track team finally got off the ground on Thursday, April 16, with a convincing 75-39 shellacking of arch-rival Butler.

Three previous rainouts didn't seem to hurt the Cards, who played without the services of co-captain, Mike Eisemann. Paul Usinowicz, Leroy Hunt and Paul Williams all hit double figures in the point parade for the Cardinals, while Bill Grigat, Jack Kinsey, and Art Livingston also had a big hand in the scoring.

Among the winners, Usinowicz had 11 points, including first places in the 880 and high jump; Williams took first in the 220 and 120 yard high hurdles; Hunt had eleven tallies including a first in the 120 yard low hurdles; Grigat took the shot put and a second in the discus; Kinsey had a first in the 100 and a second in the pole vault; Livingston finished with two second place finishes; and Gary Mabie took first in the discus.

Butler did manage to win five events, but they couldn't place enough secondary men in the finishes. Chuck Wotruba was their individual star with first in the 440 and broad jump, while the Bulldogs copped the mile, pole vault and javelin.

Lancers Pull One Out

Scoring two times in the bottom of the ninth inning, Lakeland's Lancers, on May 4, eked one out, 3-2, over the Cards at Wanaque.

Leading 1-0 going into the bottom of the seventh, the Cards found themselves forced into extra innings again as Bob Angliani, who is equally at home either behind the plate or on the mound, singled, and then scored on a booming triple by Bill Conklin.

After a scoreless eighth, the Cards appeared to have things wrapped up as Jim Coutts, Larry Ball and Andy Jordan who is the hottest thing around, put together successive singles for a 2-1 lead. But the Lancers, paced by Bill Vreeland's two-run triple, pulled it out.

George Baker (2-1) was the starting and winning pitcher for the Lancers, Larry Ball was the losing chucker for the Cards, evening his record at 3-3.

Cards Win Rematch

April 24 - All doubt about the Card's 4-4 tie with DePaul on the 13th was removed today as the Redbirds tripped DePaul, 2-1 at Joe Grill Field.

All of the scoring came in the sixth inning after Glenn Hazen and the Spartan's Bob Moyle had locked up in a tight mound duel for the first five. Bill Carafello, DePaul's slugging sophomore, continued his vicious on-slaughter on Cardinal pitching with a double. After a walk and a passed ball moved Carafello to third, Ken Ball bobbled Gene Sarno's grounder, committing Carafello to score.

Not to be outdone, the Cards came back with two of their own. Hazen, the winning pitcher, singled, and was sacrificed to second by Warren Knight. Ken Willis then tied it up, but was forced out by Jim Coutts. Then Larry Ball singled, sending Coutts to third. At this point, the Cards pulled a beautiful delayed steal, with Larry stalling long enough on the base path to get Jimmy home. Hazen then set down the side in the seventh inning to preserve the victory.

Michael Eisemann who will attend the Summer Institute for Advanced Study in French in France.

Cardinal Cindermen

The Cardinal cindermen have rolled over all opponents this season increasing their winning string to 21 consecutive victories accumulated over a three year period.

Starting off the somewhat delayed season, the Cardinals crushed Butler 75-42. Jack Kinsey led the way capturing first in the 100 and 220 yard dash and second in the pole vault. Paul Usinowicz was a double winner with a first in the high jump and half-mile. The Cardinals displayed their strength to depth by making clean sweeps of the high jump, shot put and discus.

The Spartans of DePaul proved to be no match for the Cardinals as they were overcome by a score of 72-41. The Cardinal trackmen captured eight first including a sweep in the high jump. Jack Kinsey finished first in the 100, second in the 200 yard dash, and first in the pole vault. Paul Williams took the high hurdles in 14.5 and Gary Mabie threw the discus 129 feet.

After being rained out twice, the Cardinals outran Sparta 77 1/2 to 39 1/2 to post their eighteenth consecutive track and field victory. The Cardinals took 11 of 13 first places, as Gary Mabie set a new school record by throwing the discus 137 feet 9 inches. Paul Usinowicz became the first Cardinal triple winner by taking the high jump, half mile and broad jump. Jack Kinsey took first in the 100 and 220 yard dashes, as Paul Williams took both hurdle races.

Pequannock High School was the next to fall before the mighty Cardinals, as the Cards out scored the Panthers 85-32. This time Pompton captured all but three first places and swept the high jump, broad jump and discus. Jack Kinsey took both dashes; Paul Williams took both hurdles and Paul Usinowicz again became a triple winner.

Lakeland became the twentieth consecutive victim, as the Cardinals again hit the 70's in total point production. Again sprinter Jack Kinsey, who covered the 100 in 10.0 seconds, and Paul Williams and Paul Usinowicz led the Cardinals to victory.

Pompton traveled to Paterson for their first away meet and came home with a 65-23 victory. The Cardinals had little trouble in sweeping the high jump, shot put and discus.

Cards Whip Lucans

April 10- In a game originally scheduled for Ho-Ho-Kus, the Cards and the Lucans of St. Lukes locked arms at Joe Grill Field instead, where playing conditions were almost as treacherous.

Lefty Glenn Hazen, getting his first start of the season, received some fine hitting support, shut out the Lucans on only four hits, all singles, while striking out thirteen. He also walked three. Paul Cohn, whom the Cards punished for twelve safeties, was the losing pitcher.

After scoring single runs in the first two frames, the Cards put together a big fifth inning. Hazen was on first with two out when Warren Knight singled and Ken Willis tripled, scoring Hazen and Knight. Larry Ball then walked and stole second and came home with Willis when an infield error was committed by Joe Colianna on Jim Coutts' grounder. The Cards added two more on the sixth for an 8-0 lead.

Knight and Willis were the big hitters for Pompton with 3 hits each, but several others had a hand in the offensive department. Larry Ball, who had two hits, hit a double, as did brother Kenny, Rich Barry and Bruce Berringer. Berringer's, in fact, came very close to being a homer, were it not for a large tree trunk, which permitted the ball to bounce back onto the playing field.

The Big One

Back-To-Back Deadlock

April 13 and 15 proved to be trying days for the Cardinals, as they struggled to 5-5 and 3-3 deadlocks with DePaul and Kinnelon, respectively.

Adverse weather conditions provided mental blocks for both the Cards and the Spartans on the 13th. Both teams played well, but the dark grey skies and soggy field cut down maximum performances in this locally built up game. The pitching duel between the Cards Larry Ball and Bob Moyle, the Spartans ace was somewhat modified, although it did last for nine innings, the length of this overtime contest.

The Cards scored two runs at the outset as Dale Garlick walked, and Ken Ball, Warren Knight and Kenny Willis hit consecutive singles, to produce a 2-0 lead. But then DePaul took control over the next five and one-half innings, scoring four times to vault into a 4-2 lead, including a solo home run by Bill Carafello.

The last half of the seventh inning, which was the Cards last chance, saw them score two runs, one coming on a single by Jim Grossi, and the other via an error by DePaul's Steve Rokita. Thus the contest went into extra innings.

An inning later, the Cards were in a similar hole as DePaul scored in the top of the eighth for a 5-4 lead. This set the stage for Willis, who blasted one into the ozone, and except for some minor ninth inning heroics by John Burdi, sent the fans and the game home in a deadlock.

P.V. Finals

April 16 - Behind the two-hit twirling of Mike Luzzi, the Hornets of Passaic Valley downed the Cards at Little Falls. Kenny Willis kept up his rapid hitting pace for the Cards, however, collecting both safeties off Luzzi, including a double. Bob Cawso had a double for Valley, who scored both of their runs in the first inning.

For a short time, it appeared that the Cards and the Colts of Kinnelon would lock horns on a bright, humid afternoon. Unfortunately, darkness overcame this plight, and along with the mud was perhaps the cause for the team's second straight tie. The Cards sent Al Van Riper to the mound, while the Colts countered with Ken Horton. Neither pitched very well, however, as six extra base hits were collected.

Both teams cashed in on the more-than-one base blows as they provided the basis for the scoring. The Colts got two runs in the third on a double by Terry Huber, a triple by Joe Gregory, and a Cardinal error. The Cards came back as Ken Ball walked, stole second, and scored on Warren Knight's single. Knight then scored on a triple by Kenny Willis.

After the Colts scored in the fifth on Nick Cartabona's double and Gregory's single, the Cards avoided defeat at the hands of the Colts with a run in the bottom of the seventh. Glenn Hazen who replaced Van Riper on the mound, led off with a single, moved to third after walks to Bruce Berringer and Knight. Then Larry Ball was hit by a pitch, and Hazen scored, ending the game in a tie.

New Track Coach

Anthony Bottone of Oakland has been named by the Board of Education as the new track and field coach at Pompton Lakes High School.

Bottone, a graduate of Montclair State College, will replace Charlie Kenison next season. Kenison asked to be relieved of his coaching duties in order to pursue special courses in education. He has been appointed teacher-counselor in the guidance department.

Bottone will also teach industrial arts in which he has a B.A. degree. Among the schools in which he has taught this subject and also coached are Hawthorne High, Ramsey High and Northern Valley Regional.

Cards Club Highlanders

Shaking off the tough loss to Butler, the Redbirds bounced back with an explosive 8-3 triumph over West Milford at Joe Grill Field.

The Cards wasted no time in getting off the ground, as they scored six times in the first inning. Rich Barry who had 3 hits for the winners, got 2 doubles in that frame while Jim Coutts added two singles. Glenn Hazen the winning pitcher for the Cards, went all the way for his fourth straight victory. He also had a triple in the sixth. In all the Cards collected ten safeties off Jim Brennan, the lone Highlander hurler. The only Highlander threat came in the last inning when, with the bases loaded, pinch hitter Wayne Quinlan stroked a double to score three runs. Hazen then got out of the jam to end the game.

Cards Shocked By Bulldogs

After a convincing 4-0 conquest of Boonton, the Cards traveled to Butler to meet the Bulldogs in a game that is usually filled with thrills.

The Bulldogs won 4-2.

Ray Capitanelli, a hard-running fullback in the fall, hooked up with Larry Ball in a beautifully pitched game. But errors hurt Ball's performance greatly. After leading by 2-0, the Cards kicked the ball around, giving Butler two runs in the third on only one hit, a single by Ed Whitehead. Then in the sixth, the Bulldogs added two more runs on singles by Capitanelli and Keith Post and two Cardinal throwing errors. Capitanelli, the winning pitcher, struck out 12 and paced his team's offense with 2 hits. Larry Ball, the losing pitcher, and Ken Willis were the only Cardinals to garner hits, getting one each. The loss was a disappointment to the Cardinals.

Lucky Seniors
