

"In and Out"

Welcome to Greenleaf High

Those of you that drive by the high school have probably noticed the many new shrubs that are being put in by Paramount Pictures. Pompton Lakes High School is the setting for a movie, "In and Out," starring Kevin Kline, Tom Selleck and Joan Cusack. The movie is directed by Frank Oz of muppet fame. They will use the front of the high school in the movie and they will be filming scenes in the auditorium, gym, boys' locker room, Room 202, 203 and 205, and the hallway outside these rooms. Most of the inside filming will take place in November, but the outside filming was completed in September.

As you can imagine, this has caused quite a stir of excitement in the high school and in the community. The first outside filming session on Thursday, September 19th, drew a large number of spectators eager to see Tom Selleck and Kevin Kline. Everyone associated with the movie has been very complimentary about our high school, our students, our staff and the community of Pompton Lakes.

Our high school was selected after seven visits because of its Pre-World War II architecture and the excellent condition of the building, inside and out and the fact that the people from Paramount Pictures felt they could work with Mr. Fisher to handle a variety of logistical problems.

Tinseltown comes to Pompton
